

Rockwell Charter High School's DIRECTORY INFORMATION NOTICE

FERPA Authorization

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Rockwell Charter High, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Rockwell Charter High may disclose appropriately designated "directory information" without written consent, unless you have advised Rockwell Charter to the contrary in accordance with Rockwell Charter High procedures. The primary purpose of directory information is to allow Rockwell Charter High to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production
- The annual yearbook
- Honor roll or other recognition lists
- Graduation programs
- Sports activity sheets, such as for basketball showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

Military recruiters and institutions of higher education

In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA) to provide military recruiters or institutions of higher education, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent. [Note: These laws are Section 9528 of the ESEA (20 U.S.C. § 7908) and 10 U.S.C. § 503(c).]
